The annual meeting of the Lethbridge Boy Scouts was held in the Marquis Hotel November 9th, when Mayor Don McKay was the guest speaker. His subject was "Boys and How They Can Develop Character."

For a boy education is a wonderful opportunity. But it sometimes takes more than education to build character.

Baden-Powell, originator of the Boy Scout Movement says, "We educate boys then build prisons to hold them when they go astray because character was not developed in them as they went through school."

Taking part in Boy Scout activities is good development and aids greatly in character building.

Such men as Hitler and Mussolini took serious steps to eradicate the Boy Scout Movement in the countries under their control. Their efforts in this direction failed and today the Boy Scout movement is growing in all countries and helping to make better boys and men.

Members of the council of the Chinnook District, which includes the towns of Raymond, Magrath, Welling, Stirling and Spring Coulee, were represented at the meeting.

Clifford Dahl, Sec. said they would like to have Mayor McKay speak in Raymond at some future date.

Other executive members present were: Roy Woolley - Dist. Commissioner, Godfrey Holmes - President and Ellis Peipgrass, 2nd Vice. Pres.

Mrs. Orson T. Bingham has returned home after attending the wedding of her niece in Provo, Utah.

While there Mrs. Bingham saw lots of fine Canadians, many from Southern Alberta. She reports some very cold weather. In fact it was as cold for this time of year, which was 14° below zero as it has ever been since records were kept in Utah.

Word has been received by J. D. Hall of the death of his son Irwin who died, after a long illness, in Seattle, Washington.

Left to mourn are his wife, the former, Thelma Wilbur, one daughter, one grand-daughter, his father and several brothers.

## Touring The Town With Amy

— Amy Campbell

The jolly month of December is lurking near, and shoppers, you'll be so busy buying here. Everything you need and so much more, can be found in every Raymond store.

Toyland! What could be more exciting than the grand opening of the Mercantile Toyland? And kiddies, make sure you're around next Thursday when it happens. Plushies and dream dolls, games and trains, guns and dishes, everything to light up the eyes of the children will be set before the Public bigger and better than ever.

Too fat? Slim, and slim the way Arthur Godfrey does, with Ayds Vitamin and Mineral Reducing Plan. Mr. Godfrey says "Just take Ayds before meals as directed - eat all you want and yet you still lose weight." Sounds too good to be true, doesn't it? Drop into the Pharmacy and pick up some Ayds, is worth trying.

The Raymond Fourth Ward celebrated its eighth birthday on Wednesday, November sixteenth.

A party for 125 youngsters under the age of twelve was given after school. A full-course dinner, under the direction of Ira and Fanny McBride, was served to the 246 guests in the evening with side-dishes of impromptu speeches from Bishop Galbraith and the Stake Presidents. Fifteen Junior M. Men and Gleaner Girls, wearing attractive aprons to match the theme of the tables, acted as servers. The tables, were tastefully decorated to honor Alberta's Golden Jubilee—gold on green, with vases of colorful balloons placed at intervals to 'add' further, color to this gala event. Grace was given by Patriarch Thomas T. Mendenhall.

Heber and Grace Allen were in charge of the "snappy" program. A ballet "Cinderella and the Glass Slipper" was under the direction of Jane McMullin and a "Style Parade of 1905" with Viola Meeks and Virginia Rolfsen describing each "knock-out" style of the early days.

Community singing, in charge of Katharine Keeler and Margaret Bridge, was enjoyed with a special song for the Ward's anniversary.

A tribute to the Ward members was given by Viola Wenz.

Howard Rasmussen entertained with piano - accordion selections and also an original song in honor of Heber and Grace Allen.

A special number "McNamara's Band" with Kenneth and Doral Stone, Jim Bridge and Barker Selman.

A pantomime "Little Albert and the Lion" with Kay Redd, reader.

This is the one time and place where those on the program can really let their hair down and go all out to bring the house down with laughter and applause.

To Chairman T. George and Norma Wood goes the credit of the managing and supervising this year's Reunion Party. Closing prayer was given by Milo C. Vance.

The Neighborhood Club met last Thursday at the home of Elda Garner with a large crowd in attendance.

The ladies present enjoyed visiting while doing their fancy work.

A delicious lunch was served by Mrs. Garner.

Mr. and Mrs. Phillip Redd are the proud parents of a boy, James William, born November 9th, at the Magrath Municipal Hospital. Mr. Redd teaches Seminary in Magrath.

Mr. and Mrs. George Thomson spent Sunday in New Dayton visiting at the home of Dora's brother, Mr. and Mrs. Barton Meldrum. Also visiting there are Mr. and Mrs. Eddie Van Allen and children of Salt Lake City, Utah. Mrs. Allen is Dora's niece.

A bridal shower given by Atsuko Takaguchi and Sue Matsuno for Miss Luri Oishi was held at her home on Saturday, November 12th, when a number of friends presented the bride elect with a host of beautiful gifts.

A lovely lunch was served to the assembled friends.

Miss Oishi is to be married December 3rd, to Roy Nagata of Calgary.

One of Raymond's earliest residents I. B. Roberts has won recognition at the Toronto Royal Agricultural Winter Fair as the 1955 World Bean King.

Mr. Roberts is a repeater in this field having won the world award three successive years.

The beans for the samples are grown on a ten acre plot. Other crops grown on the farm of this enterprising farmer are: alfalfa, sugar, beets, peas and corn.

Mr. Roberts is also a successful live-stock farmer.

A number of Raymond's music lovers attended the Celebrity Concert in Lehighbridge when the Vienna Mixed Choir presented a program of varied musical numbers. The first group was of a sacred variety, the second featured the Classics and the last group was folk songs native to Austria.

The singers dressed in costumes suitable to the different groups of songs, made an interesting feature. Comments of superb, excellent and outstandingly good seem to be the general opinion of those who heard the concert.

## CARD OF THANKS

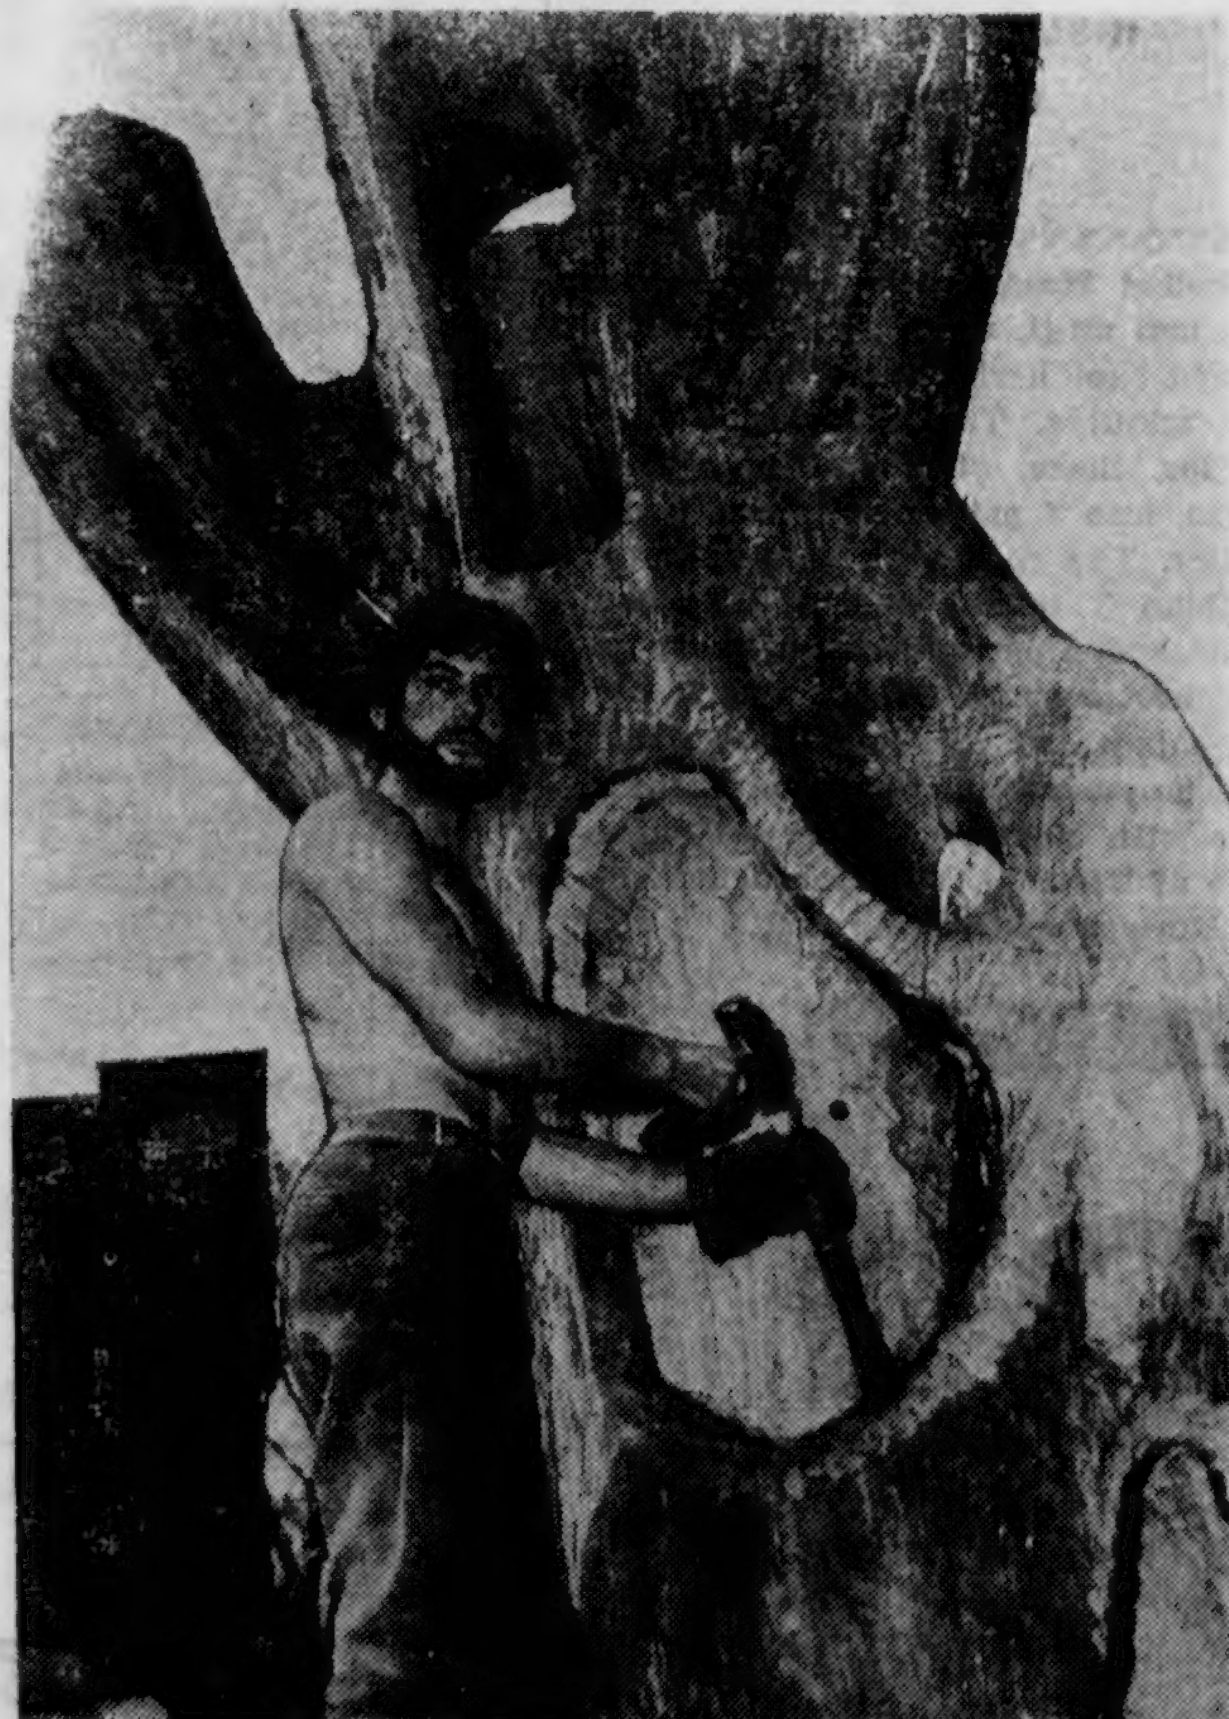

We wish to thank the Raymond Fire Brigade for their prompt service and to all those who helped in any way.

A. Veldman and family

Jackie Thompson, who is in Calgary attending the Branch University, came home for the Remembrance Day week - end to visit with friends and her parents Mr. and Mrs. George Thomson.

## Art Knows No Bounds!

—SNS Photo

Armand Vallancourt, one-time seaman and medical student and now a sculptor, has chosen a tree trunk in a crowded section of Montreal as his latest sculpting object. He spent five months last summer working on it and expects another five months this season will complete the work. He describes his work as "abstract" and as he chips away he gathers a sympathetic if somewhat puzzled group of spectators. He is one of a group of French-Canadians intent on making Montreal the art centre of Canada.

The Second Ward Priests' Class held a Sunday evening Fireside at the home of Mr. and Mrs. L. J. Hawkins with Roger Hawkins in charge of the meeting. Giving five minute talks were Brian Gough, Roger Flexhaug, David Oler, Warner Attwood and Dale Christensen.

Carol Oler and Diane Nilsson played a piano duet. David and Ralph Oler, Grant Gehmlich and Ronnie Woolley sang a quartet.

The interesting evening was brought to a close by the hostess serving a lunch to the twenty-one members and guests.

## Bob Dahl Weds Nova Scotia Girl

A fall wedding was solemnized recently at the Raymond Stake Tabernacle when Margaret Joan Mitchell of Halifax, Nova Scotia became the bride of Robert Holt Dahl, son of Emma H. Dahl. The wedding ceremony was performed by Bishop Murray Holt in the Relief Society room which was decorated with white and pink wedding bells and steamers.

The wedding music was played by Mrs. Maybelle Anderson and Mrs. Jeanne Jensen sang "Because" during the signal of the register.

The bride wore a floor length gown of nylon net and chantilly lace over satin, featuring a chantilly lace bolero with long lily point sleeves. Her waist length veil was held in place by a seed pearl headpiece. She carried a bouquet of real roses.

Matron of Honor was Mrs. Myra Humphries who wore a pale yellow nylon cocktail length gown and carried a bouquet of red mums. Miss Maxine Dahl who chose a blue net cocktail length gown and carried a bouquet of bronze mums. The little flower girls were Jayanna Humphries wearing a pale pink floor length gown of organza, Marie Hall in a pink nylon gown and Linda Holt in a yellow nylon gown. They carried yellow mums.

The groom was attended by Gary Gough and Morris Dahl. Ushers were Monty Dahl and Lloyd Ralph.

The groom's mother wore a black gown of velvet and bengaline with a corsage of red roses.

A three tiered wedding cake centered the brides table at the reception which followed in the recreation hall with 250 guests. M. T. King an uncle of the groom, was the Master of Ceremonies. Elsie Mitchell was in charge of the guest book.

The young couple will reside in Claresholm where the groom is serving with the R. C. A. F.

Mr. and Mrs. Gilbert Wells, of Maybutt, recently celebrated the 25th Anniversary of their wedding and some sixteen guests from Edmonton, Medicine Hat, Lethbridge, Raymond and Stirling were present to congratulate them on attaining the Silver Jubilee.

Bridge was played during the evening and was finished up by the serving of a delightful lunch. We wish Gilbert and Rita the best for the next 25 years. Rita is a Past President of the Raymond Rotary Club.

## Veterans Enjoy Annual Banquet

The biting cold of November 11th did not keep a good number of veterans away from the annual banquet at the Legion Hall. Those who braved the cold were rewarded with a very fine supper and program.

In the absence of Legion President Bob Zobell, Ron Watson took charge of the evening calling upon Mayor Taylor to say grace. After nourishment had been taken on by the ever-hungry vets the "Old Guard" members of the group were introduced and Mayor Taylor spoke of the fine work that the Legion had done and was doing in Town, urging all to give support so that this very much worthwhile organization would be able to carry on in a fine manner.

The Toast to the Queen and two-minute silence were observed before Bill Nalder took over to present a very entertaining program which included vocal selections by Jeanine Jensen, who played her own accompaniment on the piano. Ethel Hicken, who played some of the old songs and some of the new and made them all sound as if they had been written just for her to play, and a very serious little number "McNamara's Band" featuring these masters Shirley King, Jim Bridge, Barker Selman and Doral Stone. Community singing led by Jim Bridge with Ethel Hicken at the piano, concluded the upstairs part of the program with the boys taking advantage of the game room downstairs to finish off a very enjoyable evening.

## Welling News

Guests were Elred and Letha Foote, Alvin and Augusta Bullock, Kenneth and Lorna Wilde, and Priesthood Co-ordinator J. L. Gibb and his wife. As an appreciation for their untiring support, and the love he bore them, retiring Bishop Floyd presented each with a gift. Elred having been his Councillor for the full time was given a signet ring. The others were given tie - bars and cuff links. It was a heart warming, long to be remembered evening.

Dave Wilde has received a call from First Presidency for a mission to Australia; possibly near Sidney. His brother, Ross is still in Germany, so we feel sister Anna and her family are to be congratulated. We note Miss Verla Smith visits Welling more frequently, and was a Sunday guest at the Anna Wilde home.

Mrs. Dean Bullock returned home from the Magrath Hospital bringing a baby sister with long black hair, for Judith Ann and her brothers. No wonder Dean looks happier.

Overheard in the store—Grandpa George and Grandma Chipman receiving congratulations on November second.

Mrs. Jean Christensen makes frequent visits to the Municipal Hospital in Lethbridge. Why? Her four - pound - seven ounce baby Darrel is still too small to bring home. It shouldn't be too long now as he is doing fine.

The monthly representatives of Stake Presidency at Sunday night's Service were High Councillman Ralph Walker and companions Evan Jensen and Garry Salmon.

Three B. Y. U. Students motored all night from Provo, Utah to spend Remembrance Day Week-end at home. They were Milton Taylor, LaDelle Bullock and Robert Nelson, when three beautiful girls attended Sunday School with them —. Nuff said!

You can give your newly decorated kitchen a look of continuity by using leftover pieces of wallpaper to cover kitchen canisters. Cut off short lengths of scotch tape, roll one end back and under to give a sticky surface all around the tape. Stick these bits of tape at intervals around the top and bottom of the canisters and at the seams. Wrap the wallpaper around, pressing it tightly against the tape to give a smooth appearance.

The Luncheon and Bazaar of the Raymond Third Ward Relief Society was a complete success.

In spite of the cold weather about four hundred people were served lunch.

Practically all the articles from the Bazaar, Pantry, Rummage and White Elephant tables were sold.

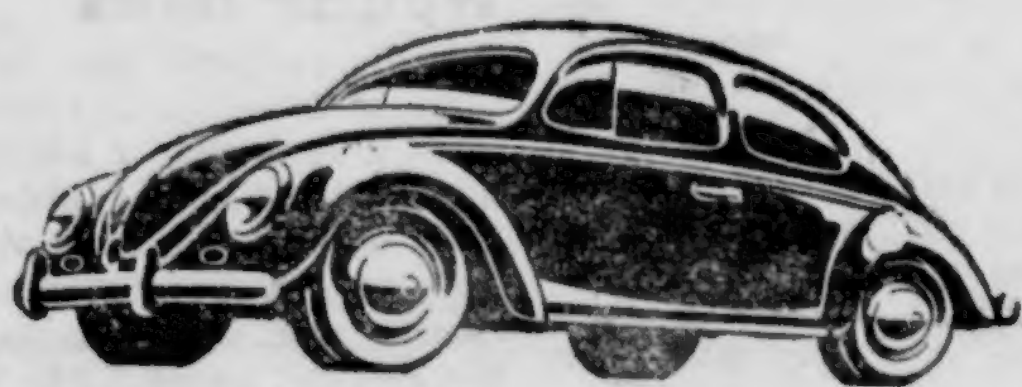

Most of a man's good characteristics are inherited from his mother. A healthy, intelligent woman of strong character will have an outstanding son regardless of the make-up of the father. So claimed Col. E. R. Bradley, who carried the thought into breeding thoroughbreds. The colonel bred many great horses, including four Kentucky Derby winners!

Peter, eight, was paying a visit to his grandparents. The morning he was getting ready to go home he put sixpence into the hand of his grandfather.

When asked what it was for he said, "Well, when you came to MY house you always gave me some money to spend. Now I come to your house, so that is for you to spend!"

Better grades, bigger yields, weed control and keeping your land fertile are additional advantages—reasons why more and more farmers are fertilizing every year. # Natural GAS Service

## On the March with Alberta's Communities!

Alberta's communities sprang from many origins. Mounted police posts, trading camps, trading posts and other pioneer settlements grew into towns and cities... centres of industrial and agricultural expansion.

Abundant natural wealth plus pioneer courage and initiative to make use of it! With such a combination of human and natural resources the rapid development of Alberta's communities was... and still is... inevitable.

Alberta's communities owe their rapid growth to many important factors, perhaps the most important of which is initiative. Take, for example, natural gas service. The story of natural gas is one of men and women working together to make this wonderful fuel serve your community. Your gas company inaugurated its service in 1912. Today it maintains over 1,100 miles of pipeline — supplying low cost fuel to over 60,000 customers in 35 Southern Alberta communities. The use of natural gas in homes and industries is increasing at an accelerated rate. To meet the demands of tomorrow, your gas company is "building ahead" — affirming its faith in the future of a province on the march!

### World's Largest Passion Play To Be Presented In Lethbridge

Christianity's oldest Passion Play, the 714 year old dramatization of the lowly man of Nazareth, first produced in Luenen, Germany in 1242, and brought to the United States to win national acclaim as the Black Hills Passion Play, will make an appearance in Lethbridge November 18-19-21-22-23. To be staged at the Collegiate Auditorium, the Black Hills Passion Play is sponsored by the Southminster A. O. T. S. Praised by clergy of all Churches, as well as by stage critics as offering the most enriching dramatic experience ever staged before the American public, the production will be brought to Lethbridge as a civic project.

Appearing as the Christus will be Josef Meier, who has won acclaim as being the world's outstanding portrayer of this difficult part. He brings to the stage a never-to-be forgotten interpretation of History's greatest personality.

Hailed as a modern miracle and as the greatest drama produced on the American stage today by such outstanding critics as Robert Casey of the "Chicago Daily News," Robert Collins of the "Chicago Tribune," "Time Magazine," and many others, this production should be a must for every "theatre goer" in Lethbridge and surrounding districts.

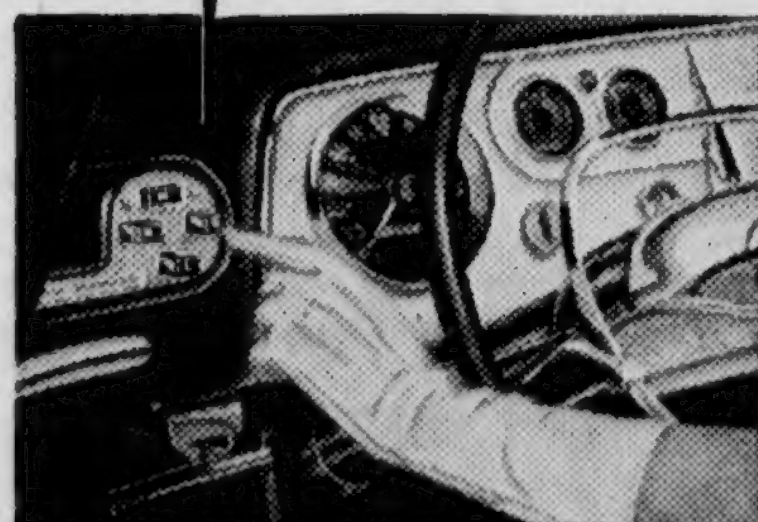

Week-end guests at the Laurence Duncombe home were Mrs. Beryl Bectell and three daughters of Cardston and Mr. Lloyd Sabey of Magrath.

growing demands. To do this requires the many services the Provincial Treasury Branches offer Alberta businessmen. Drafts, loans, current accounts, money orders, safety deposit boxes are just a few of the many conveniences supplied by our organization. The implement dealer has one thing in common with every other Albertan . . . the complete facilities of the Provincial Treasury Branches stand ready to meet his needs.

#### TOURING THE TOWN

(continued from front page)

To extend your best wishes this Christmas season, in a most gracious and sincere manner, you need only to send one of the "Evergreen Christmas Cards" in Stones. All of the cards in this box are of fine quality, yet are selling at the low price of 35¢ a box.

The Christmas gift suggestions noticeable at Burns Shoe Store are numerous. Cozy foam-tred slippers for Dad, dainty fur trimmed leather moccasins in pink, white or blue for Mom, intricate crocheted slippers of pink or blue nylon ribbon with gold braid trimming for the teenager, foam sole tartan plaids for the little miss of the house and wee warm felt slippers for Baby, are all available. Attractive plastic shoe bags, plain and in cowboy and nursery rhyme designs would make ideal gifts also.

Junior High School girls will agree that the new Bunny Joy Garments in the Broadway are the daintiest dreamiest dresses any girl could wish for. Tiny flowers and leaves and other figures sprinkled on the spun rayon or taffeta material, and the black velvet bows and belts are features designed to delight any girl.

Show your love by presenting Mother with a set of imported cut glassware of such tasteful design and quality, that you see in Stones. Juice and water tumblers, fruit dishes and saucers to match can be bought separately or as a set, adding sparkle and class to your meals.

Teenage girls will be wearing the Best of British products when they wear St. Michael's Knitwear. Soft, all wool cardigans and pullovers just arrived in the Broadway and a choice of many attractive colors and neckline styles are offered.

\$1.69 a box is the low price that Mac. apples are selling for in the Merc. Everyone likes apples and needs at least one every day, so here is your chance for an apple buy!

### COMINCO COMMENTARY

A new series of farm talks by Grant MacEwan, well-known Canadian agriculturalist, will be broadcast every Sunday, starting November 20, on radio stations throughout the prairie provinces. Entitled COMINCO COMMENTARY, the 15-minute program will deal with a variety of farm subjects.

Grant MacEwan, former dean of agriculture at the University of Manitoba, and now Member of Provincial Legislature for Calgary, was born in 1902, from pioneer parents who farmed north of Brandon, Manitoba, and at Melfort, Saskatchewan. From the home farm in the West, he attended the Ontario Agricultural College, graduating in 1926. Later, he did post-graduate work in science at the Iowa State College.

For some years following, Grant MacEwan held senior positions with the University of Saskatchewan and the University of Manitoba and became widely known across Western Canada for his public service, especially in the fields of writing, lecturing and in the conduct of fairs and exhibitions.

At present he is president of the Men's Canadian Club of Calgary, chairman of the Agricultural Bureau of the Calgary Chamber of Commerce, Honorary President of the Western Canada Fairs Association, president of the Palomino Horse Association of Canada, vice - chairman of the Western Development Museum, Alderman in the City of Calgary and M. L. A. for that city.

As an author, Mr. MacEwan has been a regular contributor to various magazines and has seen seven of his books published; of the seven, four were technical books concerning agricultural subjects and the remaining three have had to do with the history and development of Western Canada. His most recent books are Between the Red and the Rockies, Sodbusters, and Agriculture on Parade.

COMINCO COMMENTARY can be heard every Sunday over a number of radio stations in Western Canada.

A good attendance of members of Milady's Club and one guest, Idale Kenny, met at the home of Kay Rolfsen Thursday, November 10th.

Ada Stone as President took charge of the meeting. Business discussed was the ticket sale for the Doll Raffle plans for the Christmas Party to be held at the Phil Meeks home were made.

Women outnumber men in the United States, generally speaking. However, in the agricultural districts men outnumber the women. It is in the cities where the females are in the majority. So, young women having difficulty in arranging a matrimonial alliance in the city, might switch their husband-hunting to the rural sections. Of course the city girl may not care for country life. Still, it is better having a husband on the farm than being an old maid in the city. Or is it?

During the Middle Ages, fur was used mainly in male rather than female garments.

Glaucoma, a common cause of blindness, is often called the Thief of sight, since it may gradually establish itself with little warning and, to the victim, no symptoms which he can identify. A medical eye doctor, in periodic examinations of the eyes, is able to detect the disease in its earliest stages. The most susceptible years are those over forty and especially after this age, the regular eye examination is advisable.
